

Welcome. Fine dining at Tippecanoe Place is a tradition that was begun over 100 years ago by the Studebaker family, the mansion's original owners. Today, that tradition continues at Tippecanoe Place Restaurant. As the premiere landmark in the heart of South Bend's historic district, Tippecanoe Place is the embodiment of everything that great wealth in the late 1800's could suggest. The gracious spirit of the past still thrives throughout the mansion's 40 rooms with their wealth of fine antiques, massive fireplaces and hand-crafted woods. And, as always, every effort will be made to serve you in the exceptional style that is customary at Tippecanoe Place.
